TERMS OF USE / DISCLAIMER

By using the Eurometaux Classification Mapping Tool, you agree to these Terms and Conditions of Use ("Terms & Conditions"). Eurometaux reserves the right, in its sole discretion, to change, modify, add or remove portions of these Terms & Conditions at any time.

1. Restrictions on use of content

Unless otherwise specified, Eurometaux grants you a non-exclusive, non-transferable, limited right to access, use and display the Classification Mapping Tool and the material provided hereon (whether protected by intellectual property rights or not) for your personal, noncommercial use, provided that you comply fully with the provisions of these Terms & Conditions.

You acknowledge that this Classification Mapping Tool contains information, software, photographs, illustrations, text, graphics, icons, messages, comments, feedback, ideas, notes, drawings, articles, functionalities and other materials (collectively, "Content") that may be protected by copyrights, database rights, patents, trademarks, trade secrets and/or other proprietary rights. Eurometaux claims no copyright and/or other proprietary rights on any official governmental document. All trademarks appearing on this Classification Mapping Tool are trademarks of their respective owners. You may not modify, publish, transmit, distribute, perform, participate in the transfer or sale, create derivative works of, or in any way exploit any of the Content, in whole or in part. You may not insert or implement any link to this Classification Mapping Tool in any other tools, websites or any other types of media owned, maintained or operated by you, your employer or any other third party without the prior written permission of Eurometaux. When Content is downloaded to your computer, you do not obtain any ownership interest in such Content.

Modification of the Content or use of the Content for any other purpose than a personal (noncommercial) use, including, but not limited to, use of any Content in printed form, on any communication or on any other website or networked computer environment is strictly prohibited unless you receive the prior written consent of Eurometaux.

By accessing and using this Classification Mapping Tool you agree not to use any automatic device or manual process to monitor or copy web pages from the Classification Mapping Tool or any content contained herein without Eurometaux's prior expressed written consent. You undertake not to use any device, software or routine to interfere or attempt to interfere with the proper working of this Classification Mapping Tool. You further undertake not to take any action that imposes an unreasonable or disproportionately large load on the infrastructure of the Classification Mapping Tool.

2. Google Analytics

Google Analytics is a web analysis service provided by Google Inc. (Google Privacy Policy). Google Analytics is integrated in the Classification Mapping Tool and enables Eurometaux to

monitor and analyze web traffic and can be used to keep track of user behavior. For this purpose, Google Analytics uses “cookies”, which are text files placed on your computer.

By using this Classification Mapping Tool, you consent to the processing of data about you in the manner and for the purposes set out above. You may refuse the use of cookies by downloading and installing Google Analytics Opt-out Browser Add-on.

3. Disclaimer

Eurometaux will make reasonable efforts to publish up-to-date Content on its Classification Mapping Tool. The Content is provided for information purposes only and is subject to periodic modifications. Eurometaux does not guarantee that the Content is appropriate, accurate or complete, nor does Eurometaux guarantee that the Classification Mapping Tool will be complete at all times or up-to-date in all aspects. Eurometaux does not warrant that this Classification Mapping Tool or any function contained in this Classification Mapping Tool will be uninterrupted or error-free, that defects will be corrected, or that this Classification Mapping Tool or the servers that make this Classification Mapping Tool available are free of viruses or other harmful components. Any Content and material downloaded or otherwise obtained through the use of this Classification Mapping Tool is done at your sole risk and you will be solely responsible for any damage to your computer system or loss of data that results from a download of Content or materials. Eurometaux does not warrant or make any representations regarding the use or the results of the use of the Content in this Classification Mapping Tool in terms of their correctness, accuracy, reliability, or otherwise.

4. Limitation of Liability

You expressly agree that (to the fullest extent permitted by applicable law) Eurometaux shall not be liable for any direct, indirect, incidental, consequential or punitive damages, or any other damages whatsoever. If you are dissatisfied with any portion of our Classification Mapping Tool, or with any of these Terms & Conditions, your sole and exclusive remedy is the discontinuation of your use of this Classification Mapping Tool.

5. Indemnification

You agree to indemnify, hold harmless and, at our option, defend Eurometaux and our officers, directors, employees, agents and representatives from any and all third party claims, liability, damages and/or costs (including, but not limited to, reasonable attorneys fees and expenses) arising from your improper use of this Classification Mapping Tool, your violation of these Terms & Conditions, or your infringement, or the infringement or use by any other user of your account, of any intellectual property or other right of any person or entity. Furthermore, Eurometaux has the right to restrict your access to the Classification Mapping Tool or any of its sections in case of any violation of these Terms & Conditions.

6. Links

Eurometaux may provide different types of links to other websites and documents owned, controlled or operated in whole or in part by third parties. The links to any such third party websites are provided solely for your convenience and information. The content in any of these third party websites is not under Eurometaux's control, and you acknowledge and agree that if you decide to access any such website, you do so entirely at your own risk.

7. Submissions

Eurometaux may, but is not obligated to, monitor or review any areas on the Classification Mapping Tool where users transmit or post submissions or communicate with each other, and the content of any such submissions. Eurometaux, however, will have no liability related to the content of any such Submissions, whether or not arising under the laws of copyright, privacy, obscenity, or otherwise. Eurometaux retains the right to remove messages that include any material Eurometaux deems abusive, defamatory, obscene or otherwise unacceptable.

8. Governing Law and Competent Courts

This Terms & Conditions shall be interpreted in accordance with, and governed by the laws of Belgium, without regard to the conflicts of law provisions thereof. Any disputes arising out of or in connection with the use of the Classification Mapping Tool and these Terms & Conditions, which would not be settled in an amicable manner, shall be finally settled by the competent courts of Brussels (Belgium) who shall have exclusive jurisdiction.

9. Miscellaneous

In the event that one or more of the provisions contained herein shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions of these Terms & Conditions, but these Terms & Conditions shall be construed as if such invalid, illegal or unenforceable provisions had never been contained herein.

This Classification Mapping Tool is operated by Eurometaux, an association, with registered office at: Avenue de Tervueren 168, Box 13 1150 Brussels, Belgium
